Subject: Written Statement of Defense – Memorandum regarding charges under Rule 10B of GDS (Conduct and Engagement) Rules, 2020

Respected Sir,

In response to the memorandum dated 09.08.2024, I, Yadul Hussain, GDS BPM, Elakurthy BO a/w Tekmal SO, humbly submit my written statements regarding the charges framed against me.

**1. Regarding Article I:**

I sincerely acknowledge that I have been working as a GDS BPM at Elakurthy BO a/w Tekmal SO since 02-05-1994. I also accept that during this period, I worked as an LIC agent under the LIC code No. 0245664L at the LIC Sangareddy branch. However, I would like to clarify that my intention in taking up the LIC agent role was purely to supplement my income and provide for my family, without any awareness that it violated Rule 29A of the GDS (Conduct and Engagement) Rules, 2020.

**2. Explanation of Actions:**

When I engaged in the LIC business, it was done without any deliberate intention to contravene the GDS rules. I genuinely believed that my work as an LIC agent would not interfere with my duties as a GDS BPM, as I have always been dedicated and diligent in my responsibilities towards the postal services.

**3. Apology and Request for Consideration:**

I deeply regret the inadvertent violation of Rule 29A of the GDS (Conduct and Engagement) Rules, 2020. I was unaware that my role as an LIC agent conflicted with my duties as a Gramin Dak Sevak. I respectfully apologize for this oversight. I kindly request that I be given some time to make a decision regarding my future course of action.

**4. Request for Leniency:**

Given my long-standing service since 1994 and my unblemished record until now, I humbly request that my explanation be considered sympathetically. I kindly request not to initiate any disciplinary action against me, as I have realized my mistake and am fully committed to adhering to all the rules henceforth.

I thank you for your understanding.

Yours sincerely,

**Sri Yadul Hussain**  
BPM, Elakurthy BO
